

OPERATION NIGHTJAR

VIP MOVEMENT & READINESS BRIEF - ORACLE COPY

ACCESS: ORACLE **DATE:** Saturday, 19 September 2026 **MISSION DETAILS:** COMPARTMENTALIZED

1. VIP INSTRUCTIONS

ORACLE is authorized to know required movement times, preparation requirements, Hooksett Old Home Day, meal/rest windows, and general comfort guidance. Destinations and activities beyond the known morning objective remain intentionally withheld to preserve mission integrity.

VIP STANDING ORDER: Dress comfortably for a family day out. Comfortable walking shoes and a light layer are recommended. RAVEN and SENTINEL will handle navigation, timing and mission logistics.

2. TASK ORGANIZATION

CALL SIGN	ASSIGNMENT	VIP-LEVEL INFORMATION
RAVEN	Mission Commander	Responsible for movement, timing and logistics.
ORACLE	Birthday VIP	Primary VIP. Follow movement cues; enjoy operation.
SENTINEL	Senior Operator - Age 15	Assists RAVEN and SPARROW during mission.
SPARROW	Junior Operator - Age 4	Morale and field-testing specialist.

3. VIP MOVEMENT TIMELINE

~1945	Optional Phase	Dependent on VIP energy and morale. Details: . [REDACTED]

TIME	VIP ACTION / STATUS	MISSION INFORMATION
TBD	Extraction	Return to Home Base when directed by RAVEN.

4. VIP RULES OF ENGAGEMENT

ROE 1: ORACLE is not required to track navigation or destinations.

ROE 2: When RAVEN announces a movement cue, the team should begin wrapping up the current activity.

ROE 3: ORACLE may call an immediate rest, seating, hydration or bathroom halt at any time.

ROE 4: Optional phases may be abandoned without affecting mission success.

ROE 5: Attempts to obtain compartmentalized mission intelligence may be met with suspiciously vague answers.

5. VIP READINESS CHECKLIST

- ☐ Comfortable outfit
- ☐ Comfortable walking shoes
- ☐ Light layer for changing conditions
- ☐ Personal essentials
- ☐ Phone charged
- ☐ Ready to leave Home Base by 1000
- ☐ Prepared for a family day with both indoor/outdoor possibilities
- ☐ Willingness to tolerate classified nonsense from RAVEN and SENTINEL

6. INFORMATION CONTROL

The following remain compartmentalized from ORACLE until operationally appropriate: post-Hooksett destination, specific afternoon objective, evening destination, reservation details, and optional post-dinner phase.

KNOWN HARD MOVEMENT CUES

1000 - Depart Home Base / arrive at known morning objective

~1230 - Depart Hooksett area

1500 - Begin wrapping up free exploration

NLT 1515 - Report to designated objective

1730 - Begin evening reset

1800 - Arrive at designated evening area

ORACLE'S PRIMARY MISSION:

Be ready when RAVEN calls movement, communicate comfort needs, and otherwise enjoy the operation. Intelligence collection is neither required nor encouraged.
